The Senior Class held many fund raising events to make our senior year a memorable one. The excellent float that our class built captured 2nd place at the annual float competition, and our Senior Ball, being held at Harts Hill Inn, will hopefully prove to be a reminicent activity.

As officers for our Senior Class, we work with the Student Association in planning activities, such as homecoming weekend. We would like to ex-

tend a warm thank you to everyone who assisted the Senior Class this year. We hope the juniors and sophomores will successfully carry on the Student Government policies, and we hope that all the seniors had a great senior year.

Good luck in the future and I hope to see all our class members at the first reunion.
